About LEaT

LEaT stands for “**L**ive, **E**ntertainment **and** **T**echnology” and is the new, compelling network for entertainment technologies: LEaT unites all technologies and services that shape brands and experiences – both in the live and installation markets.

LEaTcon is the 2021 go-to industry event with its innovative and experiential mixture of convention and trade fair.

We live and breathe entertainment with you and make the customer experience visible. We are bringing together professionals with good ideas, and exploring new horizons.

We're bringing new power into your business!

Join us in Hamburg for a re:start.

Convention : Exhibition : Show Networking : Education

We're all about experiences, business, knowledge, and networking. We don't want to be just another trade show with a product exhibition. We want to create unique experiences and inspire our visitors with exciting content. An impressive schedule and the newest technology will motivate you to keep giving your all for your work, and for a successful re:start of the industry.

We guarantee interdisciplinary and entertaining product shows, exciting interviews with the best minds in the industry, interesting new encounters, and all kinds of innovative technology.

It's all happening on six stages, in multiple speakers corners, shared stages, and demo rooms at the Messe Hamburg. Our diverse lineup is completed by a conference and workshop schedule from the new LEaT academy.
